Dear Parents/Guardians,

Greetings and welcome to Term 2. We hope you and your loved ones are staying safe and healthy during this time. We are glad to share that many of our students have settled down well and are giving their best to learn and interact with their teachers and friends. We hope to continue to work with you closely and ensure that all our students are well supported both in school and at home.

In view of the Covid-19 situation, the school will be implementing several precautionary measures to ensure the safety and well-being of our students. We would like to highlight some important information, dates and events to note in Term 2.

1. **SUSPENSION OF CCAs and AFTER SCHOOL ENRICHMENT ACTIVITIES**

Due to the COVID-19 situation, all Co-Curricular Activities (CCAs) and after school enrichment activities will be suspended till further notice. Students are encouraged to return home upon school dismissal and avoid congregating at crowded places.

The Industry Experiential Programme (IEP) for Year 4 students will be suspended for the entire term. We will continue to engage our students through our customised in-house IEP. Dismissal time is indicated in table 1.

3. **EARLY DISMISSAL ON THURSDAYS**

The suspension of CCAs and IEP has resulted in structural changes to the timetable. Hence, all students will be **dismissed at 1:30pm on Thursdays**. This will take effect from Thursday, 26 March. We will resume normal curriculum time once the situation improves. Table 1 below shows the school hours during this period.

Details on Home-Based Learning Day schedule will be shared with students at a later date. We seek your strong support in making the e-learning experience a meaningful one for students.

11. **MOBILE DEVICES POLICY**

The school also educates our students to use their mobile devices wisely so as not to distract them from their learning in school. As such your child/ward is required to switch off their mobile devices during curriculum hours including their recess and lunch periods. They may switch it on only after dismissal from school. For any emergencies, you may call up our General Office. We seek your cooperation in reminding your child/ward to adhere to this rule. The school reserves the right to confiscate your child's/ward's mobile devices if your child/ward refuses to comply. The school reserves the right to access, remove or forward contents of seized mobile devices for the purpose of investigation.

12. **SCHOOL ATTENDANCE AND PUNCTUALITY**

NorthLight School is committed to facilitating student learning leading to success. Our experience and records indicate that students who attend class regularly with a minimum number of absences have a much better chance of succeeding in school. We also want our students to learn and display the value of punctuality. We seek your assistance and guidance in ensuring that your child/ward is punctual and maintains the best possible attendance record.

We wish your child/ward another fruitful term ahead. Be safe and stay healthy.
