16 September 2025

Dear Parents/Guardians

The September holidays have drawn to a close and we welcome our students back for Term 4 of 2025. Our focus during the coming weeks will be twofold: supporting students as they work towards their year-end examinations whilst also providing them with student development experiences and programmes that complement their classroom learning. We believe this balanced approach helps students consolidate their knowledge whilst continuing to develop their broader skills and interests.

We look forward to keeping you informed about the various activities and programmes planned for this term, and to working together to ensure a positive conclusion to what has been a productive academic year.
