10 June 2020

Dear Parents/Guardians,

Greetings and welcome to Term 3. We hope you and your loved ones are staying safe and healthy during this time. We are glad to share that many of our students have settled down well and are giving their best to learn and interact with their teachers and friends. We hope to continue to work with you closely and ensure that all our students are well supported both in school and at home.

We would like to highlight some important assessment matters to note in Term 3.

### **COMMON PAPER**

In view of the COVID-19, Year 1 to Year 4 students will not be sitting for their Mid-Year Examination. Instead, they will be taking a Common Paper from **Monday, 22 June to Thursday, 25 June**. The Common Paper schedule and topics are shown in Annex A and B respectively. Please take note that dismissal time is tied to their normal school timetable.

### **WORK PLACE LITERACY AND NUMERACY ASSESSMENTS**

The Workplace Literacy and Numeracy (WPLN) assessments are computer-delivered English Language literacy and numeracy assessments developed by the British Council, in collaboration with SkillsFuture Singapore (SSG). They are used to assess English Language literacy in Speaking, Listening, Reading and Writing, and Numeracy ability. The Year 4 classes which have not taken the WPLN assessment will attempt the WPLN assessments in NorthLight WPLN Assessment Room from 6 July to 17 July.

### **SCHOOL ATTENDANCE AND PUNCTUALITY**

NorthLight School is committed to facilitating student success and student learning. Our experience and records indicate that students who attend class regularly with a minimum number of absences have a much better chance of succeeding in school. We also want our students to learn and display the value of punctuality. We seek your assistance and guidance in ensuring that your child/ward is punctual and maintains the best possible attendance record.

We wish your child/ward another fruitful term ahead. Be safe and stay healthy.

Best Regards,

---

Mdm Sung Mee Har  
Principal
