9 January 2017

Dear Parent/Guardian

As your child/ward settles into the new school, I would like to take this opportunity to share with you briefly on our curriculum framework. In NorthLight School, your child/ward will go through the following curriculum:

**1. Foundation Education**

English, Mathematics and Info Communications & Technology (ICT)

**2. Vocational Education**

Taster programmes comprising modules on Hospitality, Retail, Mechanical and Facilities

**3. Character Education**

Physical Education, Aesthetics Programmes and NorthLight Programme (NLP) which includes components like Personal Growth, Career & Finance, Family Education, Cyber-Wellness and Social Skills.

In order for you to better understand what your child/ward is learning in English, Mathematics and ICT for the first Semester, we have prepared a summary of the content that will be covered in his/her Foundation subjects for Semester One (Please refer to **Annex A**). We hope you will be able to guide your child/ward in his/her learning and also take the opportunity to discuss with him/her on what he/she has learnt in school.

Please feel free to contact your child/ward's Form Teacher or Subject Teacher if you have any queries on their Foundation subjects.

I wish your child a happy and fruitful learning in NorthLight School.

Thank you.

---

Mr Martin Tan  
Principal

Level	Subject	Topics	Remarks
Year 1	English	<p><b>Terms 1 and 2</b> Introducing Yourself: Sharing personal information</p> <p>Telling Time: Calendar</p> <p><b>Terms 3 and 4</b> Purchasing Goods and Services - Supermarket</p> <p>Receiving and Giving Instructions/ information - Interpreting product labels and receipts</p>	<p><b>Formative Assessments</b> Pre and Post Tests Habits of Mind Assessment Speaking Assessment Reading &amp; Retelling High Frequency Words</p> <p><b>Summative Assessments</b></p>
